## Southdown Under New Ownership

As keen shooters and club regulars both Greg and I were worried at the possibility that “clay shooters” could lose probably one of the best shooting grounds in the South East.

With this in mind we took the opportunity to take on the ground and formed a new Company “Southdown Gun Club Ltd” to secure shooting in the heart of Sussex.

We are looking forward to the challenge of restoring the ground to its former position as one of the top shooting grounds in the Country. Whilst we understand that the club has been in decline for a while, we feel that it will flourish under new management.

We have a list as long as your arm of improvements we’d like to make, including a second skeet range a new DTL and ABT layout as well as many other improvements to the facilities in general.

New owners Greg Swan and Shaun Miller

All suggestions for improvements will be listened to, so don’t hesitate to give me your feedback.

On our first weekend we signed up more new members in one day than the club had in the past 10 years. This is probably down to the great opening offer, where members get to shoot at reduced rates Wednesday to Saturday and the opportunity to shoot for free on your birthday or when you recommend a friend, this plus a raft of other benefits making membership really worthwhile.

We have some exciting events lined up and will hold a quality FITASC event in August and the first ever Southdown 3 shot auto competition, plus a host of other competitions before the summer ends.

So keep up to date on developments at the club on our new website which is currently being developed or sign up to receive our regular monthly newsletter by emailing us at [info@southdowngunclub.co.uk](mailto:info@southdowngunclub.co.uk) and get the news straight from the source.

Both Greg and I look forward to seeing you at the ground in the future.

Regards,
