Strong Competition at Southdown

The combination of good weather and the quality targets saw four really well attended competitions in August.

Our three day FITASC competition held on the 13th to the 15th was won by Paul Lovick with an outstanding score of 96 and the colt's class was won by Nathan Hales (11) with a very impressive 79. On the 22nd we combined a Sporting and Sportrap competition on the same day which proved to be very popular, the Sporting HG was taken by former side-by-side World Champion Mark O'Dowd who shot a storming 96 and Chris Childerhouse almost straightened the Sportrap to win HG with a 99.

The John Fenner Memorial shoot held on Bank Holiday Monday was attended by over 150 shooters, which included two of John's sons Simon and Tim, quite fittingly Simon won AA with a fantastic 112 out of 120. The shoot was held in memory of John Fenner a Sussex farmer, keen shooter and Southdown competition referee, he was a steadfast member of the Club and would be seen on the range come rain or shine. The strong support of the competition is testament to John's popularity and we are really pleased to be able to carry on the tradition.

August has also seen the launch of the new club website www.southdowngunclub.co.uk, if you get a chance take a look at the new features including the upcoming fixtures and the all important results pages, which is updated daily. As well as this you can now keep up-to-date on the news and events at the club by following us on Facebook and Twitter or subscribing to the newsletter in the news section on the site.

The ground improvements have begun and we have started with some overdue general maintenance to the external areas. This will be closely followed by the long awaited clubhouse improvements, which will include, an all new restaurant seating area, booking in office and upgraded toilet block.

I am pleased to say that membership is still really strong and the club now has over 130 members, unfortunately September will probably be the end of the evening shoots for 2010, so if you haven't been before why not join us on a Thursday and enjoy the last of the summer and a free BBQ at the clubhouse.

I hope that you have noticed the improvements to the club and as always I am keen to get your feedback, so don't hesitate to let me know your thoughts.

The first full month in charge at Southdown has flown by and it feels like we are making progress.

Regards,

CLUB MEMBERSHIP

Why Bother? Here's 7 Reasons Why...
