NOVEMBER STARTS WITH A BANG!

We are very pleased to announce that on Friday 5th November we're holding a firework display and bonfire party, with free entry to all members and friends of Southdown. The display is being managed by pyrotechnic specialists Brightfire Pyrotechnics Limited (brightfirepyrotechnics.co.uk), so we should all be in for a real treat. Michelle's cafe will be open, selling burgers, hotdogs and soft drinks. And with a big thank you to John Hery's Inn, Findon (john-henrys.com) we'll have an outside bar on site. So come down and enjoy the evening with us.

November sees the start of our winter series FITASC*. We have a fantastic prize fund with £150 high gun per shoot and series high gun of £500. To be in for a chance to win the series high gun you must shoot four of the five events of which the 5th (March) is compulsory. Visit our website for fixture dates.

Sadly Thursday evening shooting has come to an end now that the nights are drawing in, but it won't be long before we start up again next spring!

The ground works are going well, we've added one new stand and more are on the way, new fencing around the clubhouse has been installed and the air rifle range has been upgraded. Progress on the clubhouse refurbishments have been a bit slow but we should have the works complete before the end of the month, so watch this space. We'd like to take this opportunity to thank everyone for their patience during the refit.

As part of the renovation works we will also be modernising the restaurant and kitchen and Michelle will be introducing a new menu – so look out for the new lunchtime choices and specials. Next on the list is refurbishment of the toilet block – not before time I hear some of you say!!

Membership is up again, we now have 152 members, so as always if you have any comments or feedback, please let us know. We still believe the £65 annual membership fee is a great deal, particularly for regular shooter, so if you haven't already joined take a moment to check out what's on offer on our website or pick up a leaflet from reception. To existing members don't forget the 100 free targets each time you refer a friend who becomes a paid member.

We continue to make improvements and additions to our website, the latest being an activities photo gallery and shooters forum including suggestion box. We'd be pleased to receive your comments, feedback and suggestions via the forum or as always bring them to either my, Greg, Helen or Shaun's attention.

Don't forget our tuition deal of 6 lessons for the price of 5, and if you're wanting a bit of practice before going game shooting, we have the facility to simulate driven birds and our instructors would be pleased to give you guidance and advise.
