

### SOUTHDOWN CELEBRATES 30 YEARS!!

Probably one of the few grounds in the country that can boast our doors have been open for 30 years!! We've weathered the storm of two recessions and following significant investment in the last 3.5 years we're here to stay!! This achievement wouldn't be possible without your support so Greg and I would like to say a **HUGE THANK YOU** to all our members and regular shooters.

During the last three decades we've hosted many major competitions including the World Sporting Championship in 2005, the Classic in 2009, and The English Open in 2011 and of course our annual Masters, as well as numerous CPSA regional and National Inter-County events.

### 2014 Festival of Shooting .....

To celebrate this milestone as well as hosting many County Championships we're planning a special 30th Anniversary celebration of shooting over the **August Bank Holiday weekend** to include FITASC, Sporting and Sportrap Championships. The weekend will be commemorated with an anniversary party to mark this historic milestone, it's sure to be an event to remember including live music, professional firework display and much more ..... So come join in the celebrations!!

### Other competition news .....

We're delighted to report we'll be hosting the BICTSF 1st FSP Selection shoot in March – a two day competition, 150 birds and the BICTSF English Open Compak in August. We've also tendered for CPSA National and County shoots so watch this space for more info!

It's with great sadness we have to let you know Kati will be leaving us at the end of January. We want to take this opportunity to thank her for supporting the club over the last 3+ years she'll certainly be missed by all. We've got a number of people lined up to help Helen at weekends, and we're looking to give a young person an apprenticeship opportunity. If you know anyone who might fit the bill please let Helen know or ask them to send in their CV to [helen.drury@southdowngunclub.co.uk](mailto:helen.drury@southdowngunclub.co.uk)

Thanks
