

MERRY CHRISTMAS FROM ALL AT SOUTHDOWN

Christmas is now only round the corner and with this in mind I've been listening to what the members have been saying and I'm pleased to say that I have been able to secure some extremely affordable cartridges (Dan Arms, 28g, plastic wad 7.5's) that will be available during the Christmas week at the special price of £40 per box of 250, with no minimum or maximum order, however when they are gone, that's it so don't delay.

Additionally I've reviewed our overall cartridge prices and have reduced our costs to be in line with other local cartridge retailers, this is not a time limited offer and going forward into the New Year we will continue to review competitive prices and make sure we're offering you good value and saving you the journey to remote gun shops. You'll now see around a 12% saving on our previous prices for 1,000 cartridges across our stock range and similar savings on smaller quantities.

GREAT DEAL!!
